2. (Unclassified - GLC) Talked with Mr. Kenan, in the office of Majority Leader Carl Albert and was informed that consideration of the CIA Retirement legislation, H.R. 8427, will be the first item of consideration on the calendar tomorrow morning.

3. (Unclassified - GLC) Hand carried to the office of Senator Claiborne Pell the Director's reply to the Senator's letter transmitting a copy of his views expressed on the floor of the Senate regarding the separation of intelligence gathering from intelligence operations. I chatted briefly with the Senator's Administrative Assistant, Raymond Nelson, and his Legislative Assistant, Orlando Potter. Mr. Potter said he had prepared the bulk of the Senator's speech but that the Senator's feelings on this subject were based primarily upon his experiences while a member of the Foreign Service.

4. (Unclassified - GLC) Dropped by the office of Representative John V. Lindsay and talked with Miss Clow regarding the case of [redacted] (see Journal of 25 October). I advised Miss Clow that our Director of Personnel and other senior officials of the Agency had reviewed this case and had concluded that inasmuch as [redacted] had no legal obligation to support his mother since her departure [redacted] they felt that this was a personal matter and there was no basis for official action by the Agency. Miss Clow seemed to understand and agree with us and said she would advise [redacted] sister along these lines.
